SunTech Medical® Disposable Blood Pressure Cuffs

As automated monitors have become routine for blood pressure measurement, it is important to remember that the **blood pressure cuff is the sensor**. With this in mind, SunTech Medical® has applied their expertise to engineer high-quality, clinical-grade color-coded, blood pressure cuffs designed for consistent and accurate measurement for the widest variety of clinical applications and environments.

- Latex-free
- 100% Leak-tested
- Tapered end & rounded edges
- Affordable Infection Control
- Color-coded for quick size selection
- External & internal range indicators
- Cuff Standardization Program (CSP)
- Meets AHA, AAMI-SP10, and MDD guidelines
